MANUFACTURING BESPOKE INTERIORS SINCE 1987

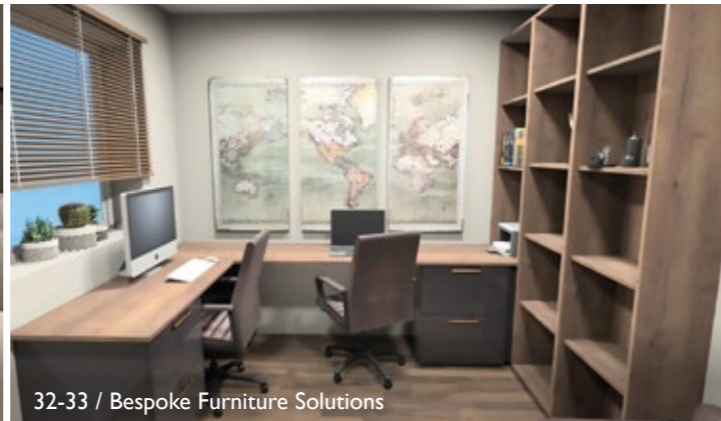

12-14 / Décors

17 / Internal Wardrobe Furniture

28-31 / Wardrobe Accessory Options

32-33 / Bespoke Furniture Solutions

We are a leading innovator in the bedroom furniture manufacturing industry, based within the West Midlands. We are dedicated to delivering the highest quality product, at an affordable price, with service that redefines excellence.

Our made-to-measure sliding doors are handcrafted in our factory by our experienced team, seeking to work to the lead time you need. The wide range of frame colours and designs, alongside the host of glass and timber décors, will leave you able to create the dream bedroom you were looking for.

We also offer beautiful hinged door bedroom furniture solutions. These can be both fitted or freestanding. Whether you prefer the natural warm look of solid timber, or a vivid colour to really brighten your bedroom, whatever your preference, we can look after you.

All our products are built to last, that's why every product we offer comes with a 5-year limited warranty as standard.

Why don't you visit our website: www.g-s-trade.com or scan the QR Code and use our door configurator to create your own perfect bedroom furniture solution.

THE FINISHING TOUCHES

To allow you to further enhance and customise your design, we have developed a versatile collection of bespoke interior accessories which combines perfectly with a multitude of internal options, designed to make using your new furniture a pleasure.

We offer a premium range of suited pull out accessories. These show in this photograph. They include pull down rails, pull out drawers, shoe racks, trouser racks, jewellery and accessory pull outs, laundry baskets and matching hanging rail.

We also offer a broad array of very cost effective pull outs, that enable you to accessorise your wardrobes on a tighter budget.

Please review our website for details and pricing of the available options.

Why don't you visit our website: www.g-s-trade.com or scan the QR Code and use our door configurator to create your own perfect bedroom furniture solution.
